**EREWASH
STRATEGIC PARTNERSHIP**
Improving lives locally

The Erewash Local Strategic Partnership (ELSP) are currently reviewing their main plans for the area's future. **These are just some of the ways we want to improve Erewash for all of our residents.**

Jobs & Enterprise

- Provide more work - relevant training to help people into employment
- Reduce unemployment by removing barriers to work
- Focus on improving our town centres in Long Eaton and Ilkeston, and maximising the benefits of potential developments at Stanton to increase local wealth and employment opportunities
- Practical actions to address poverty

Clean & Green

- Reducing crime and fear of crime
- Improving our communities and promoting better neighbourhoods
- Reducing inequalities and improving deprived neighbourhoods
- Talking and listening to our communities

Safe & Strong

- Encouraging expectations and improving opportunities for all residents young and old
- Promoting healthy lifestyles
- Providing a range of positive activities to develop people's skills and build self esteem
